Oliver Thornton

PUBLIC SPEAKER · BUSINESS & AI ADVISOR · AUTISTIC ENTREPRENEUR

Oliver Thornton is an autistic entrepreneur, real estate operator, speaker, and business advisor based in Los Angeles. He co-founded Coding Autism, raising more than \$100,000 for autism-related ventures and training more than 25 students through its coding bootcamp. Across real estate he has successfully full-cycled more than 15 multimillion-dollar developments, raised more than \$4 million in project equity, helped drive more than \$200 million in luxury residential sales, and secured more than \$50 million in construction financing. He is the founder of The ASD Company, an AI-native platform for neurodivergent people.
